

John Sfara

ABOUT ME

I'm currently in my senior year at VCU for computer science. I've also been hired as a software engineer at Brightspot, starting in the summer of 2023. Previously, I worked in the live event lighting and production industry for 14 years, managing events and technical direction for clients such as: The White House, The Clinton Foundation, The NFL, The Kennedy Center, PBS, Vanity Fair, and many others.

EXPERI ENCE

Software Development Intern

Brightspot · Internship
May 2022 - Aug 2022 · 4 mos
Reston, Virginia, United States · On-site

Worked as a Software Development Intern at Brightspot, a leading CMS provider. I was integrated into the public media team where I worked on production code, focusing on the backend. After a 2 1/2 month internship at Brightspot I was offered a job as full time software engineer, which I accepted!

Skills: Java · SQL · JavaScript · HTML · Cascading Style Sheets (CSS)

Senior Production Manager

Frost Lighting
Jan 2007 - Oct 2020 · 13 yrs 10 mos
Washington D.C. Metro Area

Skills: Production Management · Team Management · Technical Product Management · Operations Management · Vectorworks · Production Managers · Stage Management
